Hello Rich,

Thank you for the update.  
The crew will check it out tonight and make the necessary repairs.

Best regards,

Hi Cynthia,  
I know that there are a few string lights that aren't working in the trees, but I don't know about the RGB lamps. The south section of Hollywood and Vine has been out the last few nights so there could be some in there. Thank you for your help with all of this!
